ARTICLE 13: (Written ballot required). To see what sum the District will raise and appropriate in additional local funds.

The District also has higher special education costs than are recognized by the model, and due to the geographical size of the District, smaller class sizes and higher transportation costs than are recognized by the model.

Explanation: The additional local funds are those locally raised funds over and above the District's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the District budget for educational programs.
